# Deep Learning NVR Series DVA3221

**Brand:** Synology

**Product Code: DVA3221** 

**Availability:** 10 **Weight:** 4.92kg

**Dimensions:** 166.00mm x 250.00mm x

237.00mm

**Call for Price**:

#### **Short Description**

Synology 4 Bay DVA Deep Learning Video Analytics DVA3221 (Diskless)

#### **Description**

#### **Smarter surveillance**

Combine the comprehensive video management features in <u>Synology Surveillance</u>

<u>Station</u> with advanced analytics to speed up incident response and collect better business intelligence.

Bolster the security of your premises while increasing efficiency.

# Versatile monitoring

Watch over your deployment in the way that works best for you.

# Easy deployment

Quickly set up your surveillance system with minimal effort.

# Advanced analytics platform

Monitor and secure your premises more effectively with locally processed analytics, ensuring security and confidentiality.

## **Deep Learning NVR Series**

# **People & Vehicle Detection**

Trigger immediate or threshold-based alerts using idle times within defined zones for people or vehicles.

# **License Plate Recognition**

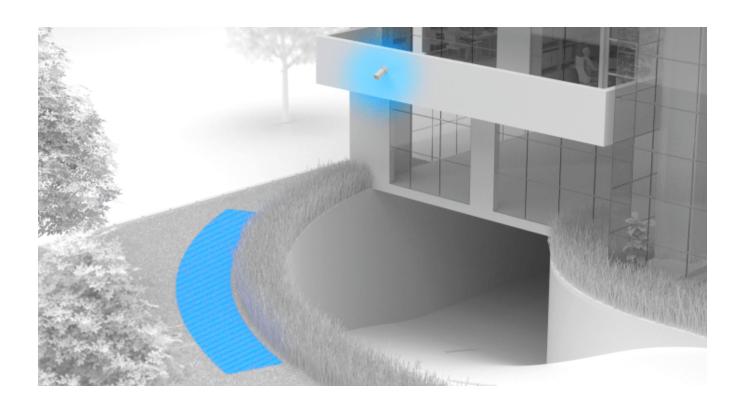

**Intrusion Detection** 

**People & Vehicle Counting** 

**Congestion Alerts** 

**Face Recognition** 

**Face Covering Detection** 

## Flexible monitoring capabilities

Leverage highly configurable options and automation features to act quickly when potentially dangerous situations arise.

#### **Map-supported alerts**

Display real-time previews of detected events on interactive multi-floor and multi-site maps supported by Google Maps and OpenStreetMap.

#### **Automation rules**

Reduce workloads by triggering responses to specific situations, such as activating recording when a microswitch detects a door is opened.

#### **Notifications**

Specify which events should trigger a notification, and whether to receive alerts by SMS, email, or push notification on mobile devices.

## Comprehensive access options

Enjoy a uniform monitoring experience wherever you are and adapt your surveillance

#### **Space-saving installation**

Minimize the footprint of your monitoring setup. The DVA1622's local management capabilities make it an ideal solution for compact home surveillance systems and security kiosks when available space is limited.

#### High definition video output

Connect an external display directly to the built-in HDMI port to start monitoring your premises in minutes.

### Local management

Control your Surveillance Station installation without setting up a dedicated PC by attaching a mouse and keyboard directly to the DVA1622.

## Anytime, anywhere surveillance

Investigate incidents from anywhere to minimize reaction times and take appropriate action faster.

#### **Multi-platform support**

Monitor streams in real time or browse recorded footage seamlessly from browsers, desktop clients, and mobile apps.

## Monitoring on the go

Install the DS cam app on your iOS and Android mobile devices to always have a monitoring option on hand.

#### Deploy and protect with ease

Get large or multi-site surveillance systems up and running easily while keeping recordings safe from malfunctions and third-party attacks.

## Wide compatibility

Pick from 8,300+ Synology-validated models or leverage ONVIF support for even more flexibility.

# Multi-site management

Manage fleets of recording servers from a single interface.

# **Granular delegation**

Distribute monitoring and managing privileges flexibly.

# Software Specs

Surveillance Station		DVA3221
Video Analysis	Deep Video Analytics	<ul> <li>People and vehicle</li> </ul>
	Features	detection (with
		license plate
		recognition)
		<ul> <li>People counting</li> </ul>
		<ul> <li>Vehicle counting</li> </ul>
		<ul> <li>Intrusion detection</li> </ul>
		<ul> <li>Face recognition</li> </ul>
	Deep Video Analytics Task	People and vehicle
		detection (without
		license plate
		recognition): up to 12
		tasks
		<ul> <li>People and vehicle</li> </ul>

		detection (with license plate recognition): up to 6 tasks  • People counting: up to 12 tasks  • Vehicle counting: up to 12 tasks  • Intrusion detection (detecting specific objects): up to 12 tasks  • Face recognition: up
	Maximum Number of Registrations Supported by Face Database	to 6 tasks 10,000
	Notes	<ul> <li>When recording in 4k resolution, the number of deep video analytics tasks is limited to 8. Learn more</li> <li>DVA3221 supports recognizing license plates on vehicles moving at speeds up to 40 km/h.</li> </ul>
General Specifications	Default Licenses	8 (Additional cameras require
	Suggested Maximum IP Cameras and Total FPS (H.264)	<ul> <li>purchase of licenses)</li> <li>720p: 32 channels,</li> <li>960 FPS</li> <li>1080p: 32 channels,</li> <li>448 FPS</li> <li>3M: 28 channels, 280</li> <li>FPS</li> <li>5M: 19 channels, 190</li> <li>FPS</li> </ul>
	Suggested Maximum IP Cameras and Total FPS	• 4K: 13 channels, 130 FPS • 720p: 32 channels, 960 FPS

		<ul> <li>3M: 32 channels, 320</li></ul>
